Signature of skater (or Parent/Guardian if skater is a minor) _____

Send completed form and fees to: Laney Kidd, AFSC Test Chair, PO Box 40428, Albuquerque NM 87196.

AFSC Test Application and Session Rules

For test application or rule questions, please contact the AFSC Test Chair, Laney Kidd, at rdkidd@aol.com or (505) 844-1242. Test application/session questions will not be accepted at any other phone number.

Test Application

1. Application for testing shall be made in writing on the official AFSC test application form. Applications will not be accepted unless accompanied by required fees and a completed application form.
2. If insufficient fees are provided, due to a credible miscalculation of fees, a \$5 filing fee will be charged. If the balance due and filing fee are not provided to the test chair by one week before the test session, the affected tests will be canceled.
3. The **deadline** for submitting test applications and fees shall be 7 p.m. **15 days** prior to the officially scheduled test date. Applications arriving after this date will only be accepted at the **discretion of the test chair and** on a **first-come, first-served basis, space permitting and** a **\$25 late fee** will be assessed for filing after the posted deadline date.
4. Always **mail** your application and fee to the Test Chair prior to the due date so they will **arrive no later than 7 pm on the due date. Applications will not be retrieved from Outpost Ice Arena.**
5. Pursuant to U.S. Figure Skating rules, all skaters who are not home club members of AFSC must provide a letter of permission from their home club. This may be in the form of email.
6. Skaters who are not home club members of AFSC may be required to provide proof (i.e., a test certificate) of passing a prerequisite test if the Test Chair cannot verify this through U.S. Figure Skating web site.
7. All fees must be paid by either check or money order made out to AFSC.
8. Skaters **must** first pass the appropriate field moves test before taking the corresponding free skating test. When applying for both field moves and the corresponding free skate test, the total fee for both tests must be included in the test application payment. If the skater does not pass the field moves test, the fee for their free skate test is **forfeited**.
9. If a test fee or warm-up fee check is returned due to insufficient funds, all amounts owed plus any check return fees charged to the AFSC will be owed by the skater immediately. The skater will be disallowed from testing at any further test sessions until all amounts owed are paid.

Test Cancellation

10. The Test Chair has the right to cancel an entire scheduled test session or an individual test for reasons including, but not limited to: (1) unavailability of appropriate judges, (2) lack of sufficient test applications, or (3) the test session runs overtime. In these cases, the test fees will be refunded to the applicant.
11. If a skater/coach cancels the requested test(s) after the test session deadline or fails to appear for the test, test fees are **non refundable** except for extraordinary circumstances at the discretion of the AFSC Board of Directors.

Test Schedule

12. The test schedule will be posted on the AFSC website or delivered to the appropriate coaches no later than two days prior to the test date.

Test Session Conduct

13. A 30-minute pre-test session warm-up **may be** offered, at the discretion of the Test Chair, depending upon time available and the number of skaters interested. We will strive to have the warm-up session immediately before the test session. If you would like to participate in this 30-minute warm-up, please include a separate check for \$12.00 payable to AFSC. If the warm-up is not available your check will be returned. Regardless of the availability of the additional 30-minute warm-up, the 5-minute warm-ups preceding groups of tests will continue to be provided.
14. Once a test session begins, neither coaches nor parents will be allowed *on the ice* which means that no part of the coach's/parent's body shall touch the ice surface. Exceptions are registered partners for dance/pairs tests or in an emergency situation (e.g., injured skater, equipment problems, or skater unable to leave the ice).
15. The test session may be allowed to run up to 30 minutes ahead of schedule. A skater who is not present for their test may be regarded as having failed to appear for the test and will be subject to the terms of rule # 11 above. Therefore, it is important for the skater to arrive early enough to ensure not missing their test.
16. Skaters shall be courteous and allow the coach(es) and skater of the test to get to the ice and shall not block the gates to the ice. Also, skaters shall not enter the ice until the previous test, including re-skated elements, is finished.
17. The Test Chair has the right to suspend or prohibit skaters or coaches from future test sessions for violations of U.S. Figure Skating or AFSC Rules. A permanent suspension is subject to appeal to the AFSC Board of Directors.
